## Purpose of committee

- The Education and Skills Board has responsibility for scrutinising the following areas:
  - Performance, finance and risk monitoring for education services
  - Schools and Learning
  - Services for Young People (including Surrey Youth Support Service)
  - Special Education Needs and Disabilities
  - Further Education
  - Early Years Education
  - Services to improve achievements for those children in Surrey's care
  - Virtual school
  - School places
  - School transport
  - Participation of young people not currently in employment, education or training
  - Apprentices and skills for employment
  - Adult and Community Learning
- It also undertakes policy development in these areas, in order to ensure the Council is developing its services to reflect local needs and priorities, as well as the national policy landscape.
